

About The Princeton Review:

The Princeton Review (NASDAQ:REVU) has been a pioneer and leader in helping students achieve their higher education goals since 1981 through college and graduate school test preparation and private tutoring. With more than 165 print and digital publications and a free website, <http://www.princetonreview.com/>, the Company provides students and their parents with the resources to research, apply to, prepare for, and learn how to pay for higher education. The Princeton Review also partners with schools and guidance counselors throughout the U.S. to assist in college readiness, test preparation and career planning services, helping more students pursue postsecondary education.
